Project "X"

X-ing out bullying one community at a time.

Project "X", created by 5 Youth Horsemanship Participants at the Rapid City UNITY Conference this past April 2015. Luke Day, Jodi Schad, Teesha Schad, Isaac Brown and Taylor Star.

Project "X" is an anti-bullying project designed from a youth's perspective. Bullying is everywhere, in our schools, homes and community; people tend to turn a blind eye to it because it doesn't pertain to them. As youth we see it first hand and what it can do to a young person's self esteem, feelings and health. That is why we plan to keep moving forward with Project "X" and bring awareness to this epidemic in our community and surrounding communities until it is stopped. We have the opportunity to take Project "X" to Washington, D.C. to the largest gathering of Native American youth in the country at the 2015 National UNITY Conference on July 10-14.

Please support Project "X" and help get us to Washington, D.C.

"It only takes ONE, and Project "X" is going to be that ONE."
